DDI #8105-83

9 November 1983

NOTE TO: Director, SOVA

FROM : Deputy Director for Intelligence

SUBJECT: Implementation of PFIAB and Selin Panel Recommendations

I would appreciate a report on those recommendations offered by these two groups that SOVA accepts and intends to implement, both in terms of procedures and additional resources. With respect to those recommendations you have decided not to implement, I would like a brief description of the reasons for that decision. In terms of resources you should use as a base the added positions you received in FY-83 and will receive in FY-84 and 85 (as planned).
